Churches. Rev. L. B. Betty's remarks about the work were specially appropriate. The sweet singing by Miss Harrison and Mr. Tupman was highly enjoyed by all present.

Everything on the programme was uplifting and inspiring. By some mistake the report from the Park Place Young People's Auxiliary was omitted. They have a good report ready for the annual meeting in Lynchburg next week, and deserve special mention for the perseverance and zeal with which they have prosecuted their work during the past year.

After the programme a social hour was enjoyed and light refreshments served.

Names were taken of those who were anxious to add their quota of service to this yeat throng of home missioners.

NEW THEATRE CERTAIN

Contract Let for Erection of Place of Amusement.

Place of Amusement.

There is no doubt that a new thaetre will be erected here this summer, by the Bilou Theatre Company. This was stated in the Times-Dispatch some time ago. Yesterday afternoon the contract was signed, and the theatre, as a fact, will be ready by November 1st.

The contract has been awarded to Messrs. Atkinson and Rooney, of this city.

Messrs, Atkinson and Rooney, of this city.

The new place of amusement will be on Broad Street, between 8th and 9th, on the spot that was occupied by the old Swan Tavern, It will be an up-to-date affair, and will probably be the finest theatre in the city. The building will be of three stories, with orchestra, balcony and gallery floors, and will be fire-proof, with all the latest improvements and accessories. cessories.

Pending the erection of the new theatre, the present Bijou will be utilized.

WATER FOUND WANTING

Pressure Didn't Send It to Top of Skyscraper.

Owing to the extreme height of the American National Bank building, at the American National Bank building, at the corner of Tenth and Main Streets, the pressure is not sufficient to put the water above the sixth story. When the plumbers tried to turn the water on in the building they found that the flow fell twenty-flue feet short of reaching the top of the building. It will be necessary for the owners of the property to install a pumping apparatus which will force the water to the top floor.

BUSINESS YESTERDAY.

The first session opened at 11 o'clock with prayer by the Rev. George H. Spooner, paster of the Broad Street Methodist Church. The delegates were assembled in the amphitheatre of the Medical College of Virginia. Mr. Spooner made a short address in which he referred to the fact that the funeral director is often in a position to give comfort to those in distress.

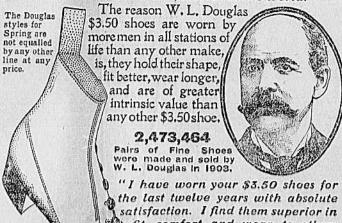

One of the chief items of the day was the annual address and report of the president, Mr. George W. Kurtz, of Winchester. The president congatulated the association on the progress made during

The Committee on Legislation reported the recent legislative enactments exempting funeral directors from jury service. Mention was also made of the action of the conference of boards of health held at Washington looking to uniform regulations for the transportation of dead bodies. The recommendations of this conference have since became the law of the State. The representatives to the National Association at Minneapolis made a report, indicating the progress of the general dicating the progress of the general
